

## COLLECTIVE RAGE: A PLAY IN 5 BETTIES

**BETTY 3.** The first time I fucked a girl I was like  
BINGO! I WON! I WON THE FUCKING LOTTERY!  
I was all up in that shit!  
I was like, girl, you come here  
you put your mouth here  
to the left! to the right!  
It was the Wild West up in there!  
I was like a pro-wrestler and a cowboy  
and also like an astronaut  
like the Neil fuckin' Armstrong of the bedroom.
